Dhaka, Bangladesh | 01778815764 | tania.akter2373@gmail.com | [LinkedIn](#)

CAREER OBJECTIVE

Results-driven HR professional with 5.8+ years of progressive experience across Total Rewards, Compensation & Benefits, Talent Acquisition, and Employer Branding. Currently leading the Reward Management and C&B Centre of Excellence at Akij Resource, driving data-led salary benchmarking, HR budgeting, and employee engagement programmes aligned with strategic business outcomes. Adept at translating complex workforce data into actionable HR insights and partnering with senior business leadership to optimize people strategies, cost structures, and organisational effectiveness.

CORE COMPETENCIES

- Total Rewards Strategy & Design • Compensation & Benefits Management • Salary Benchmarking & Job Evaluation
- HR Budgeting & Workforce Cost Analysis • Talent Acquisition & Workforce Planning • HR Business Partnering (HRBP)
- Assessment Centre Design & Facilitation • Performance Management & Succession Planning • Employee Engagement & Employer Branding • HR Analytics, Dashboards & Reporting • Payroll Operations & Statutory Compliance
- HR Process Automation & HRIS

PROFESSIONAL EXPERIENCE

Deputy Manager, CoE -Total Rewards Lead, Human Capital

Jan 2025 – Present

Akij Resources, Dhaka

- Lead salary benchmarking, pay structure design, job grading, and job evaluation to ensure internal pay equity and sustained market competitiveness across the organisation.
- Design, implement, and govern incentive, bonuses and recognition frameworks directly aligned with business performance targets and strategic priorities.
- Oversee employee benefits programmes including insurance, retirement plans, and perks, ensuring cost efficiency and alignment with workforce needs.
- Prepare, manage, and monitor HR and Total Rewards budgets, delivering accurate variance analysis and cost forecasting.
- Own end-to-end Talent Acquisition governance across 7 Trading businesses as HRBP, translating business plans into manpower forecasts, hiring priorities, and workforce cost controls.
- Acting as strategic HR Business Partner to Trading business leadership, supporting workforce optimisation, organisational design, and performance management cycles.
- Design and facilitate assessment centres for recruitment and internal promotion decisions; provide succession inputs and talent readiness evaluations.
- Lead employee engagement and recognition initiatives; drive Employer Value Proposition (EVP) activation in collaboration with TA and Marketing teams.
- Deliver HR dashboards, workforce analytics, compliance reporting, audit support, and HR process automation initiatives.

Senior Officer, Total Reward & HRBP, Human Capital

Jan 2024 – Mar 2025

Akij Resource, Dhaka

- Managed end-to-end monthly payroll for approximately 5,000 employees, ensuring accuracy, timeliness, and full statutory compliance.
- Coordinated payroll inputs, validations, reconciliations, and resolution of employee payroll queries within defined SLAs.
- Supported annual workforce planning and HR budgeting through structured headcount data preparation and manpower cost monitoring.
- Prepared and updated job descriptions for new and revised roles; supported job evaluation and grading documentation for senior review.
- Coordinated annual performance management processes and documentation; assisted in reward implementation and assessment centre facilitation.
- Supported employee engagement activities, recognition programmes, career fairs, and employer branding initiatives in collaboration with TA and communications teams.

- Provided analytical support for salary benchmarking, pay structure reviews, and market positioning analysis for approximately 4,500 employees.
- Assisted in the preparation, monitoring, and variance analysis of the HR budget and workforce cost forecasting.
- Supported job evaluation activities including job mapping, career level alignment, pay range development, and bonus scheme documentation.
- Maintained reward-related datasets and supported HR dashboard updates, analytics, and compliance reporting.
- Coordinated HR automation initiatives and database maintenance to improve data quality and operational efficiency.

- Reviewed and verified accuracy of personnel action forms and employee changes impacting payroll, including salaries, promotions, deductions, taxes, insurance, and retirement data.
- Maintained payroll documentation and employee records to ensure data integrity and compliance with internal controls and confidentiality requirements.
- Coordinated job evaluation activities including documentation collection and process tracking under senior HR guidance.
- Supported compensation and benefits initiatives aimed at strengthening internal equity and employee satisfaction.
- Assisted in the preparation of the annual HR budget and coordinated the yearly increment process by collecting data, validating inputs, and supporting implementation.
